Dear Parents and Guardians,

On behalf of Hong Kong School Social Service Club, I am writing to invite you to join the 'Walk for Water' Walkathon on the 25th of February.

Established in 2004, "Water for Life" is a registered, non-profit charity that seeks to provide clean water for people living in arid or drought-affected areas, such as Africa, Brazil, and Saudi Arabia. To date, they have built more than 50,000 wells worldwide that serve over 70,000 people.

By joining this walkathon, participants can experience firsthand the hardships that inhabitants of some of the world's driest regions experience every day. Meanwhile, you can lend a helping hand by walking to raise money for "Water for Life". This walkathon will offer you a unique chance to make new friends, keep fit, and give back to those in need.

We are holding this event in Pok Fu Lam at 7.30am. We welcome you and your children to join this event. We will walk for 15 km to raise funds, so participants should bring enough water. They may also wear the HKSSSC Walkathon T-shirt, which they will receive for free before the walk begins.

If you have any questions regarding the event, you may contact the chairperson of the Social Service Club or the teacher-in-charge of the club at 35691375. To sign up for the walkathon, please visit the club's website: www.hkssc.edu.hk and fill in the application form. The deadline is 9th of January.

We are looking forward to seeing you at the event.

Yours faithfully,

Mia Chan
