Dear Chris,

Greetings from Hong Kong! I'm now writing this postcard in Cheung Chau. It's my favourite place in Hong Kong.

First, I want to tell you how to get to Cheung Chau. We need to go to Central Ferry Pier by bus. Then, we need to take a ferry to get there. The ferry ride takes around 45 minutes.

Then, when we arrive there, we can see a lot of seafood restaurants. We can have dinner in one of the restaurants and try different kinds of fresh seafood, such as shrimps and oysters. Also, we can eat many yummy snacks, for example big fish balls and deep-fried ice-cream. Then, we can go cycling or swimming if it is a sunny day.

Finally, I want to tell you about the reasons for its popularity. It is because the view there is so beautiful. We can take beautiful photos of the place before we go home. We can also buy some souvenirs which are beautiful and cheap.

I hope you can visit Hong Kong and enjoy this place yourself one day.

Best,

Mavis
